Every day I will be
thoughtful, caring and kind.

11th September 2026

Dear Parents and Carers,

Years 5 & 6 - Science Club

We are delighted to be able to offer a Science Club in the Autumn Term. The club will be offered to children in Years 5 and 6. The sessions will take place on Mondays from 3.15pm - 4.15pm. The first session will be on Monday 28th September and the last session will take place on Monday 7th December. There will be no club on Monday 2nd November as it is a non-pupil day.

The Science club members will work towards achieving a Science Crest award by taking part in science activities each week. The children will learn about many different areas of science in a fun and interactive way. They will need to work in teams each week to carry out an investigation. There is a small fee of £3 per child which will go towards the Crest award and resources.

Please complete and return the slip below if your child is interested in joining by Friday 18th September. Confirmation will be sent if your child is successful in gaining a place by Thursday 24th September, along with details of how to make the payment.

Kind regards,
Mrs Rice and Mrs White
Year 6 Teachers

After School Science Club for Years 5 & 6

Pupil Name **Class.....**

My child is interested in joining Science Club in the Autumn term.

Signed Date.....

Walk home permission (Years 5 and 6 only):

If your child is in Year 5 or 6, do you give permission for them to walk home alone after clubs.
