Parking

Dear Parents,

Over the past few weeks there has been an increase in the number of parents parking in the staff car park. **Our School car park provides parking for those users with a valid disability badge only and as such should not be used by others.**

We are happy for parents to use this as an addition pedestrian entrance to the school at the beginning and end of the day. However drivers parking, without a disability badge, are increasing the risk of harm to those walking through.

Yours sincerely
