## STRICTLY NO NUTS

Dear Parents/Carers,

We have always been a nut free school but we now have a few children in the school with severe nut allergies. It is important that there is a **strict NO NUT policy** in order to prevent a life-threatening allergic reaction.

We are asking for your help to provide these students with a safe school environment. Any exposure to nuts may cause a life-threatening allergic reaction that requires emergency medical treatment. To reduce the chance of this occurring, we are asking that you do not send any food containing nuts into school with your child.

If your child has eaten nuts before coming to school, please be sure your child's hands and face have been thoroughly washed before entering the school.

Thank you for your cooperation in this matter. Please contact the office if you have any questions.
